# Somethings old... Somethings new.... Substance Abuse Disorders

THURSDAY, MARCH 24<sup>TH</sup> 2PM-3PM EDT

Presented by David E. Duresky, SATTTC, Florida Training Coordinator

The use and abuse of drugs and alcohol is reported in early all cultures since the dawn of history.

Participants will be introduced to what substances are currently being used and how individuals are using them.

Participants will be able to identify current trends in substance use including how drug use is changing as a result of prescription use and designer drugs.

Participants will learn current trends in substance abuse treatment including Medically Assisted Treatments and the utilization of evidenced Based Practices.
